Re: October Quarterly Report (07/01/2010-09/30/2010)

Dear Ms. Hannan:

This letter is in response to yours dated February 4, 2011 regarding the above referenced report. After a careful review of our records, our response is as follows:

1. Council for Responsible Nutrition PAC

We first reported this entity on our July Quarterly Report of 2009. However, it was entered as "CRN PAC". At a later date we received the next contribution and it was entered as "Council for Responsible Nutrition PAC". The duplicate records weren't recognized, but have since been reconciled to show the following contribution history:

06/30/2009 \$500 (listed as CRN PAC)
12/15/2009 \$500 (listed as CRN PAC)
07/29/2010 \$1000 (listed as Council for Responsible Nutrition PAC)

2. Teranco, Joaquin

The same occurrence happened with this record. We first reported this individual as TARanco - not TERanco and he first appeared on our July Quarterly report - but due to a duplicate in our system under a different spelling, it wasn't properly merged into one record. The first record, because it was under the \$200 threshold - didn't show on our report. We have since reconciled these two records into one.

3. Walker, Jearl

A problem with the merging of records occurred with this individual as well. Once the duplicate records were merged, the record showed up on our July Quarterly - with the proper year to date totals.

We have taken the appropriate steps to resolve this matter as well as updating our procedures to eliminate any future issues. Thank you for bringing these matters to our attention.

Sincerely,

Curtis L. Coonrod
